Simple Email Survey™

Enter your survey question:

How Are We Doing?

Choose your survey type:

Scale: 1-10 ▼

NOTICE: Survey type is locked after creation to protect your report data.

Scale of 1 to 10 Form

Scale description (lower numbers):

Ouch!

Scale description (higher numbers):

Hell Yeah!

Select a range of answers using the slider(s) below. Then determine which tag should be applied, and which page to redirect the user to, if they select an answer within that range.

NOTICE: Ranges cannot overlap.

Select a range of answers:

Apply this tag if answer is within this range:

Not a happy camper ▼ ＋

Then redirect to the following URL:

NotaHappyCamper.com

Select a range of answers:

Apply this tag if answer is within this range:

Meh ▼ ＋

Then redirect to the following URL:

HowCanWeDoBetter.com

Select a range of answers:

Apply this tag if answer is within this range:

Hell yeah! ▼ ＋

Then redirect to the following URL:

PleaseShare.com
