

Tag 1: Tools Down Invite LP 1 50%

Tag 2: Tools Down Invite LP 2 50%

Evenly

```
graph TD; Tag1[Tag 1: Tools Down Invite LP 1 50%] --- Evenly[Evenly]; Tag2[Tag 2: Tools Down Invite LP 2 50%] --> Evenly;
```

The diagram consists of three rounded rectangular nodes. Two blue nodes at the top contain the text 'Tag 1: Tools Down Invite LP 1 50%' and 'Tag 2: Tools Down Invite LP 2 50%'. A vertical line connects the bottom center of the first blue node to the top center of a grey node at the bottom labeled 'Evenly'. A diagonal arrow points from the bottom center of the second blue node to the right side of the 'Evenly' node.
